

NAWCC #44894 – Terrence E. (Terry) JONES – Fellow Award

Terry joined the NAWCC in 1975 and has maintained over a forty year continuous membership since that time. Since joining, Terry has served as Chapter 21 President from 1980-1982, 2000-2002, and 2008-2010. He has also been the Chapter Regional Director from 2007 to the present time.

Terry as the Chapter Program Director from 2005-2015 and as such was responsible for keeping the meetings education and enjoyable with various programs including “Show and Tell” of which he was a regular contributor. Terry would always bring interesting items to the meeting and explain how they worked, the history and how he had obtained each of them. He has also attended several Ward Francillon Time Symposiums and has given a report to the Chapter upon his return. He has also done the Chapter Highlights for the Bulletin for many years.

As a Regional Director, Terry was meticulous in is planning and promoting the event. With his leadership skills, he as able to recruit members of the Chapter to participate in the Regional. He was also responsible on occasion to negotiate with the food vendor and arrange for overnight security.

Terry was one of the Chapter members who worked on the restoration and repair of the east High School E. Howard tower Clock, and promoted a video of their work.

Terry is a wonderful asset to Chapter 21 and without his dedication and service the Chapter would not enjoy the success it presently has.
