

Winter 2019 Workshop

"Introduction to the Mill"

Demonstrations and discussion about the school's mini mill including use of end mills, fly cutters, speeds & feeds, and metrology.

Workshop Leader: Gerry Spann

Saturday – January 26th - 9am to 12pm
Emily Griffith Technical College – Room 213
1205 Osage, Denver 80203

\$25 materials fee. Any excess will benefit the Margene Oswald Scholarship Fund
Participation is limited to 12 attendees

Bring your own eye protection – mills can throw chips!

Complete the registration form at the bottom of this sheet and mail along with a
