

Margene Oswald Memorial Scholarship

Laura “Margene” Oswald was for many years an active member of NAWCC and supported the horological community through her work at Mile High Clock Supplies and many regional and National shows and conventions. This scholarship was created to honor her memory and support students enrolled in the Clock Repair course at Emily Griffith Technical College.

Successful applicants will be awarded enrollment in one 8-week session at EGTC, first-year membership in the National Association of Watch and Clock Collectors and one-year membership in Chapter 21.

The scholarship is available to new students in the field of Horology who have completed at least a few weeks in the EGTC program. Fill out the form below to begin the application process.
